PART A - INTRODUCTION

1. Background to the provider

Orange Tree Courses (OTC/the Provider) is a private limited company which was incorporated in October 2016. The Provider is owned by two shareholders, who also act as the directors. They provide overall oversight of the summer school programme and carry out the day-to-day administration. The Provider's correspondence address is Tanglewood in Oxshott.

OTC provides English language tuition through summer schools, with an additional focus on developing leadership skills. OTC's aim is to combine educational and summer camp experiences so that learning English is exciting and enjoyable.

In 2017, the first summer school programme was held at Wycombe Abbey, Buckinghamshire. This is a boarding school offering training and sporting facilities as well as participant accommodation.

2. Brief description of the current provision

OTC offers one course called Future Leaders' Summer Camp. This is a two-week course designed for young people aged 10 to 18. The course consists of 30 hours of English tuition including speaking, reading and writing. The course includes lessons in etiquette and entrepreneurship. Participants carry out research projects in groups, the results of which are presented back to the other groups. In addition, participants undertake 20 hours of a chosen sport or activity designed to encourage team building and leadership skills. The courses also include three full-day excursions to London, Oxford, Stonehenge and Thorpe Park.

The trainers on the course are employed due to their specific experience and expertise. They are employed for the two-week duration of the course only.

There are no entry requirements for the courses. The participants are assessed, at the start of the programme, by means of appropriate English language placement tests to ensure that the English tuition is provided at an appropriate level for the participants. Courses are offered at the A1/A2, B1/B2, C1/C2 levels of the Common European Framework of Reference for Languages (CEFR). In 2017, OTC's courses were at B1/B2 and C1/C2 levels.

OTC offers two courses per year, which are open to participants from the UK and abroad. In 2017, OTC ran one course with participants from the United Kingdom (UK), Jordan, Italy and Russia. All participants, except for one, were under 18 years of age and the majority were female.

Two Future Leaders' Summer Camps were planned for July and August 2018. However, OTC cancelled the programmes as it was informed by Wycombe Abbey that refurbishments were being carried out during its summer break. OTC was not able to relocate the programme in time for the start of its summer programme. OTC plans to relocate its courses in 2019 and it is presently considering other venues for its courses next year.

3. Inspection visit process

The inspection was carried out by one inspector over half a day. The inspector met with the Company Director and the Course Director at OTC's registered correspondence address. The inspector also reviewed a wide range of documentation. The staff co-operated fully with the inspection and any information required was readily available and clearly presented.
