Date: 25 August 2017

1. Background to the organisation

XKeys Limited (the Provider) is a private provider with two shareholders, who act as the Directors. The Provider has been running day and residential camps for young learners, aged 3 to 17, at dedicated locations in the United Kingdom (UK) for nearly 20 years.

The senior management team consists of a principal Director, who is normally present at the camps, and a co-Director. The co-Director acts as the co-ordinator, across all the camps, on a day-to-day basis. Teaching and administrative staff are led by the Logistics Manager, who is in charge of day-to-day operations.

XKeys aims to provide residential camps for children in a supportive, friendly environment in dedicated camp locations, so that children can take part in challenging, enjoyable activities and English lessons within a safe and relaxed setting.

BAC accreditation applies to the summer camp programme for participants aged 8 to 17, which is run at Monmouth School, in Wales in July and August 2017. Monmouth School is a high quality independent school. Its extensive facilities include a swimming pool, sports hall, 500-seat theatre and all-weather sports pitches. This summer camp programme was first run in Monmouth in 2016.

2. Brief description of the current provision

The camp activities consist of recreational, social and creative activities, together with trips to local places of interest such as Bath and Bristol. English lessons, of up to 12 hours a week, are offered as an optional extra. In 2017, the camp increased its duration to over five weeks. Parents choose how many weeks their children will attend the camp. The average stay is two weeks.

At the time of the inspection, there were 70 participants, all of whom were aged 8 to 17. There was more or less an equal split of male and female participants. In 2017, the maximum attendance in a week has been 125 participants. Almost all of the participants have been from Europe and further afield from other countries including China, Spain, Italy and Russia.

3. Inspection process

One inspector carried out the inspection over one and a half days. Discussions took place with the principal Director, Logistics Manager and other key staff, including several teachers. The inspector also observed a wide range of activities, including swimming, lacrosse, rugby, drama and the optional English lessons. Extensive documentation was reviewed. All staff were extremely co-operative and helpful and all the necessary information was made available.
