**Subject: BAC follow-up report to the 2019 ENQA review**

Dear Dr. Janet Bohrer,

At its meeting on 22 June 2022, the Board of ENQA considered the follow-up report arising from the external review of the British Accreditation Council (BAC) in 2019. The Board wishes to use the opportunity to commend the agency for a careful consideration of the panel's recommendations following the external review, resulting in an intensive, community-driven approach to stakeholder engagement in external quality assurance. Moreover, the Board wishes to thank BAC for providing a detailed and well-structured follow-up report that is set into the larger context of the agency.

The Board thus approves the report and takes note of the progress that has been made.

Yours sincerely,
